BRIEF PROFILE OF CAVITE STATE UNIVERSITY

Cavite State University (CvSU) is one of the premier state universities in the Philippines, committed to providing excellent, equitable, and relevant education in the arts, sciences, and technology through quality instruction, research, extension, and production services. Guided by its vision of becoming a globally recognized university that transforms lives and communities, CvSU continuously upholds excellence in instruction, innovation, and service.

With more than 60,000 students, CvSU offers 100+ undergraduate and graduate programs across its main campus in Indang and its 12 satellite campuses throughout Cavite. Internationally, CvSU has been gaining recognition for its commitment to sustainability and quality education. The University made its debut in the Times Higher Education (THE) Impact Rankings in 2024, placing within the 1501+ global band and performing strongly in several Sustainable Development Goals (SDGs), particularly in Life Below Water (301–400) and Partnership for the Goals (601–800) in the 2025 edition. CvSU also maintains a consistent presence in the World University Rankings Innovation, 3Stars and QS Stars Rating.

CvSU's commitment to quality assurance and internationalization has earned it numerous distinctions. In 2023, the University was recognized by the Accrediting Agency of Chartered Colleges and Universities in the Philippines (AACUP) as one of the Top Performing SUCs, ranking 2nd in the number of programs with Level III and IV accreditation and 3rd for Level II accredited programs. CvSU currently boasts dozens of accredited programs—63 Level II, 31 Level III, and 5 Level IV—reflecting its strong adherence to national quality standards. The University also upholds an ISO 9001:2015-certified Quality Management System, reaffirming its commitment to continual improvement in academic and administrative processes.

Further demonstrating its growing global reputation, CvSU received multiple accolades at the CHED CALABARZON Internationalization Awards 2023, including recognition as one of the Top Five Outstanding Higher Education Institutions in Internationalization. It also received a QS Stars Award and was named among the Internationalization Champions of Nation-Building and Sustainability (ICONS) in the same year.

Through these achievements, Cavite State University continues to strengthen its role as a leading higher education institution in the Philippines—one that not only champions academic excellence but also embraces international collaboration, sustainability, and innovation in pursuit of global competitiveness.
