OBJECTIVE

01. Empowering TVET Educator Transversal Skills

Promoting a comprehensive initiative aimed at enhancing transversal skills, including digital safety awareness and ethical integration, within the sphere of TVET.

02. Gender Inclusive TVET Educator Program

Developing and executing a holistic program aimed at promoting gender diversity, and ultimately fostering inclusivity, career advancement, and leadership skills among TVET educators and students.

03. Research & Development in Greening TVET for TVET Educator

Fostering the inclusion of green skills in teacher training programs, ensuring that educators are equipped with the tools and resources to incorporate sustainability principles into their teaching practices.

FOCUSED AREAS

Digital Safety & Ethics Integration

Teaching sessions, a workshop, and a student exchange program are conducted to equip TVET educators with skill and knowledge related to digital safety and ethics, and promote cultural exchange.

Green Sustainability Integration

It involves research projects targeting TVET practitioners, fostering knowledge sharing and disseminating findings.

Gender Equality Promotion

Research projects and publications will be the major activities that contribute to knowledge sharing and dissemination among TVET practitioners to promote gender equality.
