EMPLOYERS GAIN \$2

for every

\$1 SPENT ON CO-OP STUDENT SALARIES

WORK TERMS

Students/interns alternate between study semesters and work terms. On a work term, students work full-time hours for a standard 16 weeks during the following semesters:

- › January–April (winter)
- › May–August (spring)
- › September–December (fall)

Upon completion of their degree, they will have finished four-to-six work terms/internships and gained up to two years of work experience.

Interns work in a variety of industries:

- › 26.7% Professional, scientific and technical services
- › 14.0% Manufacturing
- › 12.7% Financial services
- › 9.9% Education
- › 8.8% Information and cultural industries
- › 8.6% Public administration
- › 3.7% Administrative support, waste management and remediation services
- › 3.3% Health care and social assistance
- › 12.4% Other

*Co-op students/interns are compensated according to local practice.

95.1%

of our co-op students/interns had their work performance rated

**“VERY GOOD” TO
“OUTSTANDING”**

TOP 5 REASONS

TO HIRE WATERLOO

1. **QUALITY TALENT** Through hands-on experience and lectures led by some of Canada’s leading researchers, Waterloo students have the skills and knowledge needed to bring value to any workplace right from the start.
2. **WORLD CLASS PROGRAM** With over 60 years of experience in co-operative education, Waterloo is home to the world’s leading co-op program. We’ve earned the trust of more than 7,100 employers globally.
3. **FINANCIAL GAIN** Our students aren’t the only ones who benefit from internships. A recent study discovered employers gained over \$2 for every \$1 spent on co-op student salaries. That amounted to \$525 million in employer gains.
4. **EXPOSURE TO NORTH AMERICAN INDUSTRY** Our students can help you adapt your business to the North American market because of their experiences working and studying in Canada.
5. **PREDICTABLE PROCESS** From registering in our online system to selecting candidates, you’ll have a dedicated full-service team ready to support you every step of the way in our hiring process.

HOW TO HIRE

YOU CAN RECRUIT OUR STUDENTS AND
