STATE UNIVERSITY OF NORTHERN NEGROS

UNIVERSITY PRIMER

The State University of Northern Negros is one of the Philippines' emerging public universities committed to excellence, sustainability, innovation, and inclusive development.

Located in Negros Occidental, Philippines, SUNN serves approximately 8,000 students across multiple campuses and specialized learning sites in Northern Negros.

ACADEMIC AREAS

- Fisheries and Marine Sciences
- Agriculture and Environmental Science
- Social Science, Language and Public Administration
- Business, Hospitality and Tourism Management
- Information Technology and Digital Innovation
- Education and Teacher Training
- Nursing and Allied Health Sciences
- Criminology and Social Sciences

SUNN AT A GLANCE

- Multi-campus university system
- Coastal, mangrove, aquaculture, and agri-tourism lab sites
- Active engagement in research, extension, and IZN initiatives
- SDG-aligned institutional development framework
- SUNN continues to strengthen its role as a future-ready institution dedicated to transformative education, applied research, and meaningful community engagement.

EXTENSION AND COMMUNITY ENGAGEMENT

SUNN actively collaborates with local communities, government agencies, NGOs, and academic institutions through programs focused on:

- Environmental sustainability
- Livelihood development
- Science and technology interventions
- Digital literacy
- Disaster resilience
- Inclusive and accessible education

SUNN offers international partners opportunities for meaningful collaboration in education, research, sustainability, innovation, and community development.

WHY COLLABORATE WITH SUNN?

- Strategic location in the biodiversity-rich region of Negros Island Region, Philippines
- An emerging and rapidly growing state university with an adaptive institutional culture
- Strong focus on sustainability, climate resilience, and community engagement with specialized learning and research sites in fisheries, aquaculture, mangrove ecosystems, and agri-tourism
- Expanding internationalization initiatives and global academic linkages
- English-medium instruction and globally oriented academic programs

EXISTING INTERNATIONAL LINKAGES

SUNN maintains partnerships and collaborative engagements with institutions and organizations in:

King Mongkut's University of Technology Thonburi · KU Kasetsart University · NKUST · ITS Institut Teknologi Sepuluh Nopember · INTI International University & Colleges · TIIKM · Monterey Bay Aquarium · SBS Saigon Business School · Richmond American University London

AREAS FOR COLLABORATION

- Student and faculty mobility
- Joint research and publications
- Sustainable development initiatives
- Capacity-building and training programs
- Virtual exchange and collaborative learning
- Community-based and interdisciplinary projects

At SUNN, partnerships are built on shared learning, innovation, and the pursuit of sustainable and inclusive development.

WHY PARTNER WITH SUNN?

UI GreenMetric · Times Higher Education Impact Rankings · WURI The World University Rankings for Innovation

ACADEMIC & RESEARCH STRENGTHS

8,000+ STUDENTS	147 FACULTY MEMBERS	4 CAMPUSES	15M+ EXTERNAL GRANTS	GLOBAL PARTNERSHIPS

SUNN delivers industry-responsive and community-oriented academic programs supported by a growing culture of research, innovation, and extension.

ACADEMIC EXCELLENCE

- Diverse undergraduate and graduate programs across multiple disciplines
